

# JETBOOK D140LS

14.1" 1024x768 XGA with Intel® GMA 950 Graphics

## SEMI-RUGGED

### Semi-Rugged: Spill, Drop, Water Resistant

The Jetbook D140LS combines common sense rugged features with the latest mobile computing technology. This semi-rugged notebook design includes a magnesium top and bottom case to protect your LCD and internal components, and a spill resistant keyboard and insulation around the keyboard and system switches to protect against accidental spills. Anti-shock material surrounds the system's vital components to protect your data from drop and concussion.
