Light and Thin ULV Spring Peak Notebook

Ultra-Low Voltage  
Intel Pentium  
Processor

## 13.3" 1366x768 HD "Spring Peak" Notebook

The Jetbook SP3100 13.3" is part of the Intel "Spring Peak" family of notebooks and is a compact, light-weight notebook differentiated from other notebooks through contemporary design and styling. With its lightweight, ultra-thin design—just 24.5mm uniform thinness—and longer battery life, the Spring Peak 13.3" Notebook is a perfect companion for mobile, multitasking users in both the consumer and business environments. When connected to the Spring Peak Docking Station, the Spring Peak 13.3" Notebook is just like a versatile desktop PC.
